Mrs. Fannie Jackson,
c/o Mr. H. R. Collier,
Goldthwaite, Texas.
Mills Co.

Dear Cousin Fannie;

I regret that you were unable to write me personally in reply to the letter I sent you but presume that you were not feeling well or was physically unable to do so. I hope some day during the present summer to visit Texas and know you all personally as the immediate branch of our family over here in Georgia is almost extinct under the Collier name, of course we have a large number of relatives from the female side bearing other names.

What I want to ask is this, have you or any of your family a photograph of Uncle Efford, your Father? If so I would like to borrow it for the purpose of having some copies made from it and also to see just how he looked etc.

I have just had a letter from your brother, Edward Flewellen Collier and he writes me he was named for Dr. R.A.Flewellen of The Rock, Upson County, Ga. Dr. Flewellen was Grandpa'(R.M.) Collier's neighbor and best friend as long as Grandpa lived and Dr. Flewellen lived a great many years afterward and then died at The Rock some eight or ten years ago. He was never married.

I would like for you to write me, or have your nephew Hardy do so, just how close a friendship or relationship existed between the Flewellen family and the Colliers and how the naming of your brother for him came about.

Trusting that you are all well and with my most sincere regards and good wishes I beg to remain

Yours most respectfully,
